1. Oxford Diocesan Schools Trust Behaviour Statement

This statement of behaviour principles applies to all schools of the Oxford Diocesan Schools Trust (ODST) as required by statutory guidance issued by the Department for Education.

Introduction

Positive behaviour in schools is paramount as this is central to a successful education. Consistent behaviour management helps to create and protect the positive relationships built within the whole school community. Schools should ensure high standards of behaviour that pervade all aspects of school life including the culture, ethos, and values of the school, how pupils are taught and encouraged to behave.

ODST schools endeavour to manage behaviour well so they can provide calm, safe and supportive environments in which pupils want to attend and where they can learn and thrive. The Trust and its schools are committed to providing welcoming, calm, secure learning environments, where the culture is focused on the well-being of each member of our school community whilst also limiting disruption. We expect all members of our school communities to respect the feelings of others and to treat people with dignity.

Relationships underpin all that we do and we approach behaviour management from this viewpoint. We continually work to make, maintain and, when necessary, repair relationships and connections. The emphasis is on nurturing positive and respectful relationships so that conflict is less likely. In adopting this approach, we aim to develop a culture in which relationships are strengthened, and people demonstrate empathy, compassion and understanding towards one another. School will instil in pupils the importance of doing the right thing for the right reasons, which involves holding people to account in a meaningful and constructive way, agreeing clear boundaries within which to work and providing the right support and encouragement to reach agreed goals. It is about working ‘with’ people at every opportunity. Our schools aim to provide nurture and support alongside clear boundaries and expectations of behaviour. The Trust and its schools recognise that pupils’ behaviour is a form of communication and that all work hard to respond appropriately. Adults in school are trained to recognise these needs and feelings being expressed and to help pupils to understand and regulate their own behaviours.

Vision

At the heart of our vision is our belief in educational excellence. We believe we are called to serve our pupils, staff, parents and their local community by providing schools with the highest levels of academic rigour and pastoral care. Our schools are places where children and young people develop and thrive intellectually, socially, culturally and spiritually. Our vision, ethos and values underpin our positive behaviour ethos as we strive to support the diverse needs of all pupils.

We value every individual and understand that our sense of “community” and of belonging are vital to well-being. We strive to empower pupils to achieve, and to feel valued and supported. This is underpinned by embedding an inclusive, restorative and nurturing culture across the Trust and the building of positive, respectful and consistent relationships.

Aims

Schools within the Oxford Diocesan Schools Trust aim to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of ODST and the individual schools that form the wider ODST community
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management, based on a relational approach, that is applied equally to all pupils while at the same time reflecting the needs of individual children
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Build a community that values kindness and empathy for others
- Provide guidance for school staff, parents and carers, members of the local governing body, and other stakeholders on how we support our pupils to self-regulate and manage their behaviour so that they are ready to learn

Rationale

At ODST, we recognise that wellbeing and behaviour are inextricably linked.

Child development, neuroscience and attachment theory all provide us with the understanding of the direct correlation between positive mental health and educational outcomes. If a child’s sense of belonging and safety is high, then children have a better chance of reaching their full potential.

As a Trust we recognise that behaviour is a form of communication and we therefore take responsibility for listening to the needs a child is expressing through their behaviour, whilst setting clear boundaries and expectations.

We recognise the link between understanding of the needs of our pupils and how this contributes to their ability to self-regulate. We use this knowledge to build resilience by managing their behaviour in a positive manner so they can be ready to engage with their learning. It is imperative we understand how as care givers, we can offer the pupils the security and relationships needed to meet the individual wellbeing and mental health needs and guide them along their journey in becoming independent, resilient, life-long learners.

Guided by restorative approaches, we will focus on relational connection and regulation first, putting relationships at the heart of our approach, in order to create and foster a safe and happy environment where all feel secure and respected.

ODST is committed to developing a Trauma and Mental Health Informed Approach to behaviour management. Schools do not operate a ‘zero tolerance’ or ‘one size fits all’ approach to behaviour that may be coming from distress. We have high expectations for the behaviour of all, and rigorous support is offered to those having difficulty meeting those expectations.

To ensure every child develops and maintains positive mental health and resilience, our aim is to:

- Support pupils to make sense of their experiences
- Find ways to manage emotions and feelings
- Create an environment of safety, connection and compassion
- Build a school network of strong, positive, supportive relationships through training
- Ensure that children maintain the capacity to learn, despite difficult events that may occur

2. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

[Behaviour in schools: advice for headteachers and school staff 2024](#)

[Searching, screening and confiscation: advice for schools 2022](#)

[The Equality Act 2010](#)

[Keeping Children Safe in Education](#)

[Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)

[Use of reasonable force in schools](#)

[Supporting pupils with medical conditions at school](#)

[Special Educational Needs and Disability \(SEND\) Code of Practice](#)

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy, and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy

This policy complies with our funding agreement and articles of association.

Whole School Strategies to minimise Bullying Relating to our pupils Tackley CE Primary School will:

- Ensure pupils are aware of the school's Behaviour Policy and the sanctions that may be used for those engaged in bullying
- Promote a school culture where it is the right thing to 'tell'
- Ensure that pupils know that all staff will listen and deal sensitively with their concerns about bullying
- Support and work with pupils who have been bullied
- Involve pupils in anti-bullying campaigns in school • Publicise the details of helplines and websites within school relating to bullying
- Promote positive relationships and actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience, through the PSHE curriculum

Tackley CE Primary School will respond to any concerns, allegations and/or incidents of bullying in the following ways:

- Encourage pupils to report any incidents of bullying immediately after they happen, to an adult in school
- When bullying is occurring, the pupil is reassured that action will be taken sensitively and support given by staff
- Parents to report any incident of bullying to the class teacher/headteacher
- A written account of an incident, by the reporting member of staff, will be recorded on the whole school reporting system CPOMS including the action taken.
- The class teacher will discuss the concerns/incident to establish facts and talk through any issues with the pupil(s) concerned, so that an early resolution can be sought
- Pupils involved in bullying incidents will be monitored by the class teacher
- If the concerns do not improve and further incidents occur, school will contact parents to discuss the concerns, stating that bullying is not tolerated and advise what action will be taken, as outlined in the Behaviour Policy
- As appropriate, other relevant agencies and/or organisations may be contacted for support in resolving a bullying incident
- Conversations will take place to understand what is causing a child to use bullying behaviour and support given to prevent recurrence such as help to raise their self-esteem, family support or help to develop appropriate social skills.

This might include discussions around:

- Expected behaviour and attitudes.
- Strategies to support the bullied child, including who they can turn to and when
- Arrangements for beginning/ending lessons, lunchtimes, starting and ending of the day, and other possible trigger times
- Support is given to the bully to raise their self-esteem and develop appropriate social skills e.g.: alternative provision at lunch time for a given period to ensure they do not pose a threat.

5. Roles and responsibilities

5.1 The local governing body (LGB)

The LGB is responsible for monitoring this behaviour policy's effectiveness and holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for:

- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour

- Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and carers

Parents and carers, where possible, should:

- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

- Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The school's key rules and routines (see section 6)
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are new to the school.

6. School behaviour ethos

This policy is the statement of principles, aims and strategies for promoting positive behaviour at Tackley Primary School. We believe a shared commitment from children, parents, governors and the wider community is an important factor in promoting good behaviour and the fostering of positive attitudes to learning.

We believe that children and staff have the right to learn and work in a well-organised, calm and safe environment where purposeful and self-disciplined behaviour is expected and modelled. Staff and governors collaborate to maintain a culture of respect and safety, with zero tolerance of bullying, clear boundaries, good pastoral care and early interventions to address any problems should they arise.

We understand that some children have additional needs which may require adaptations to expectations, however, every child has the right to learn and play safely.

We expect our pupils to:

- Arrive punctually and prepared for learning.
- Listen attentively and follow instructions promptly.
- Maintain a calm and orderly environment conducive to learning.
- Use polite language and demonstrate good manners.
- Take care of the school environment and resources.

Reasonable Adjustments

We recognise that some children may require tailored support or reasonable adjustments to meet behavioural expectations, particularly those with special educational needs or disabilities (SEN/D). Our staff are trained to understand and respond to individual needs, adapting routines and providing targeted interventions where necessary. This ensures that every child has the opportunity to succeed and contribute positively to our school community. This ethos aligns with the national expectations for behaviour as outlined in the Department for Education's guidance and supports our commitment to safeguarding, inclusion, and high standards of conduct at Tackley CE Primary School.

6.1 Mobile phones

Mobile phones are not permitted in the classroom or in school. In the exception where children have them to contact parents at the end of the school day, they must be switched off and handed to the class teacher to be placed in their desk.

If a child is seen using a mobile phone, these will be placed in the school safe and parents will be contacted. Parents will be asked to collect the phone at the end of the school day.

The exceptions to the rule is for medical reasons, eg diabetes monitoring. These devices must not be used for any other purpose other than monitoring medical conditions.

7. Responding to behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop and maintain a positive relationship with pupils, which may include:
- Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour

- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement
- Using Zones of Regulation to help support pupils

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information from the school's website.

7.3 Responding to positive conduct and good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

At our schools we believe in praising and rewarding achievement and behaviour. It is important that a consistent approach is followed throughout the school and children are clear of expectations. As a school community we have agreed the following rewards:

- **Personal Achievement Record**

Work or behaviour that represents personal best effort is rewarded with a 'star'. These stars are recorded on the child's Personal Achievement Record or "Star Chart", when a chart is completed (25 stars) the child visits the Headteacher to receive a sticker and a new chart. Completed charts are presented to children in weekly celebration assemblies. After 3 charts are completed, children receive a bronze badge, after 6 a silver badge, after 9 a gold badge and after 12 a Headteacher Award.

- **Learning Value Certificate**

Class teachers present children with a value certificate in Friday Celebration Assemblies, detailing what they have done to achieve the award.

- **Caught You Being Kind**

Each week all school staff will aim to catch a child being kind. They will record a 'Caught You Being Kind' statement detailing the act alongside the name of the child in a shared book. The statements will all be read out in Friday Celebration Assemblies and children will be presented with a Caught You Being Kind Certificate.

- **Shepherd of the Week**

Each week the 'Shepherd of the Week' selects a classmate to receive the Shepherd of the Week certificate, they will choose somebody who has displayed our school values particularly well. The child will be awarded the certificate in Collective Worship on Mondays, they will be allowed to sit on the special bench during assemblies for that week and also have some extra responsibilities as helpers. They will have chocolate on a Friday with the Headteacher. This enables a continuous pupil voice to be gained.

- **House Points**

House points are awarded to children regularly for following the class rules and displaying the school values, each token is worth 10 house points. Gold coins are worth 100 house points.

Sharing work with Subject Leads or Headteacher

If a child has completed an outstanding piece of work, they will be asked to take it to show the relevant subject lead or the headteacher, they may be rewarded with a sticker.

- **Recognition of Achievements Outside School**

Children are encouraged to bring into school any badges, certificates or trophies that they have been awarded out of school, to share their achievement in our Friday Celebration Assembly. Photographs and achievements will be put on display in the hall. This is known as “The Golden Throne”

7.4 Responding to misbehaviour

When a pupil’s behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

- **Non-verbal messages** such as ‘The Look’; moving closer to the child who is not behaving appropriately, visual prompts such as finger to lips, frowning.
- **Tactical or planned ignoring:** the teacher decides temporarily not to notice specific behaviour from a specific child. This is part of a planned method of dealing with that child’s behaviour and the class will all be aware that the behaviour will be discussed with the child later, at an appropriate time.
- **Simple direction:** clear statement of required behaviour. The use of ‘thank you’ rather than ‘please’ is a subtle way of showing that you expect children to do as asked.
- **Question and feedback:** asking a prompt question to show that you have noticed inappropriate behaviour. ‘What’s happening here?’ This can be sufficient to alert the children to the fact that you have noticed and will stop their behaviour.
- **Choices and consequences:** enabling a child to take responsibility for his/her own actions. The adult then moves away to give the child thinking or ‘take-up time’ before using a consequence if they continue to behave inappropriately.
- **Giving children some time away:** classes may have a ‘thinking time’ or ‘calm down corner’ where children can reflect on their behaviour.
- **Exit procedures:** On rare occasions, when none of the strategies the teacher or other adult has used has been effective, it may be necessary for the child to be asked to work outside the classroom or be sent with a Teaching Assistant to the classroom of a member of the Leadership Team to work. If a child is removed from class, the follow-up meeting where their re-entry is discussed is vitally important.
- Letter or phone call home to parents/carers
- Agreeing a behaviour contract
- Removal of the pupil from the classroom
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents/carers

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

7.6 Positive handling

School staff are provided with appropriate Team Teach Training, to enable them to assess the use of positive handling.

Sometimes it may be necessary for staff to use positive handling techniques. All actions taken should be informed by dynamic risk assessment and be in line with government guidelines on restraint and the use of reasonable force. The Trust advocates using Team Teach techniques and guidance. Team Teach techniques seek to avoid injury to the child, but it is possible that bruising or scratching may occur accidentally, and these are not to be seen necessarily as a failure of professional technique, but a regrettable and infrequent “side-effect” of ensuring that the child remains safe. School will produce and update appropriate risk assessments and have Individual Positive Handling plans in place for children who require regular handling. All individual plans will be shared with parents and carers.

All incidents of positive handling should be thoroughly recorded using the school’s online system.

7.7 Searching, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE’s [latest guidance on searching, screening and confiscation](#). We will also take account of up-to-date advice from the police via www.npcc.police.uk

Offensive weapons

An offensive weapon is any article which is made, intended or adapted to cause injury. Offensive weapon can be broken down into two categories: a) Those that are made as an offensive weapon (e.g. knuckle-duster, dagger, gun) or adapted (e.g. broken bottle) for use for causing injury to the person; and b) Weapons not made or adapted as an offensive weapon (e.g. kitchen knife, spanner, hammer) but intended by the person having in possession of it to cause injury to another. See list in section 3.

It is illegal to:

- be in possession of a knife / bladed article on school premises
- be in possession of an offensive weapon without lawful authority or excuse in any public place
- threaten with a blade or sharply pointed article on school premises

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; and
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; or
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher, to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil’s outer clothing, pockets, possessions, desk or locker.

‘Outer clothing’ includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils’ possessions

Possessions means any items that the pupil has or appears to have control of, including in:

- Drawers
- Bags

A pupil’s possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil’s possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Searching pupils

In the event of a school requiring to search a child, headteachers will follow the advice and guidance issued in [Searching, Screening and Confiscation](#) (July 2022, or in the most recent updated guidance).

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

7.7 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.8 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.9 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.11 Allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy and with reference to the allegations against staff and volunteers policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy and with reference to the child protection and safeguarding policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

8. Serious sanctions

8.1 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our suspensions and exclusions policy for more information available on the school's website.

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy.

The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND
- The pupil has an unidentified SEND that may have impacted their behaviour

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction. Please see the school's SEN policy and information report available on the school's website.

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

This could include measures such as:

- Reintegration meetings
- Daily contact with the pastoral lead
- A plan with personalised behaviour goals

11. Pupil transition

11.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on our school's behaviour approach.

Behaviour management will also form part of continuing professional development.

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors, trustees and other stakeholders (via anonymous surveys)

The data will be reported to the LGB and ODST safeguarding.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

13.2 Monitoring this policy

This behaviour policy will be reviewed by the EQSI committee of the Trust Board, the headteacher and the LGB at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved at school level by the LGB.

14. Links with other policies

This behaviour policy is linked to the following policies :

- Suspensions and exclusions policy
- Child protection and safeguarding policy
- Dealing with allegations against staff, volunteers and professionals from other agencies
