

MCAS App

Install the App

When logging in either from an invitation email sent from your school for new accounts or from www.mychildatschool.com for existing accounts parent then have the option to **install the MCAS Parent App** either from the **App Store** or **Google Play** depending on what type of mobile device have.

When you access either the **App Store** or **Google Play** you will see a screen that looks something like the example below:

Click **Install** then once the application has installed you can click **Open**. Please be aware users will need to enable notifications on mobile phones when they install the app to get notifications for important messages from their school.

This will take you to the **login screen**, here you can enter your **Email Address**, **Password** and click **Add**.

From here you will be asked to **set your 5 digit pin** and **tick** to confirm.

Navigation

When a parent loads the new MCAS Parent App on a mobile device they will first see the new **My Child** central dashboard for their child. The dashboard contains the following features:

- **Settings** button – Account Settings, Privacy and Security, Financial Payment Methods, Financial Order History, and School Contact Information.
- **Student account** dropdown – switch to another student account.
- **Weekly calendar** with **Attendance** information by day.
- Access to the modules (e.g., Behaviour, Homework).

Banner

The banner along the bottom contains the following further options;

- **Store** – Displays school products that can be purchased online.
- **Announcements** – Displays announcements from the school.
- **Messages** – Displays messages from the school.
