School Grounds Tidy-up on Thursday 9th April

Dear Parents/Carers

After our rained-off grounds tidy-up in February, we are optimistically planning another attempt during the Easter Holidays.

We would be incredibly grateful for any parents/carers who would like to volunteer and join in, we'll be in school on Thursday 9th April from 10am to 2pm, and even if you can spare just an hour, that would be fantastic. Every little helps!

If you're able to help, please let the school office know so we have an idea of numbers.

Please don't worry if you're busy or away — there's absolutely no pressure.

Kind Regards

Tackley School Office Team
