**Attenborough Homework**

Dear Attenborough Parents and Carers,

I am writing to let you know about a change to spelling homework in Attenborough Class, which will begin from this Friday.

Maths homework will remain the same, continuing on EdShed. This will still be set on Fridays and due in the following Friday.

For spelling, children will now bring home a spelling homework book each Friday. Inside, they will have 10 spellings that we have been focusing on in school that week. The book will also include a range of ideas and strategies to help practise spellings at home. Children are encouraged to choose the methods that work best for them. If they do any written practise, it should be recorded in their books.

Research shows that short, regular practice is the most effective way to learn spellings. Little and often (for example, 5–10 minutes a day) helps children to remember spellings more securely than longer, less frequent sessions. Please ensure that spelling books are returned to school the following Friday so that new spellings can be added for the next week.

Thank you for your continued support.

Kind regards,

Sonya Barnett  
Attenborough Class Teacher
