Forest School

Dear Parents and Carers,

As the weather becomes warmer we would like to remind families about tick awareness and prevention, particularly when pupils take part in Forest School. Ticks can be found in long grass, shrubs and woodland and may attach to skin without being noticed.

To help reduce the risk of tick bites, we kindly ask that kit for Forest school includes:

- Long-sleeved tops
- Long trousers or leggings
- Tuck trousers into socks where possible
- Wear light-coloured clothing, which makes ticks easier to spot

Unfortunately Webb class will not be able to go to Forest School as timetabled today, because many of the children have not brought their forest school clothes and are wearing shorts. Please ensure Webb class children bring suitable clothing on a Monday (and all other children on their designated Forest School day) so we can make the most of the wonderful forest school space.

Kind regards,

Mrs Hawes
Webb Class Teacher
