

The Tackley Times

Fun Fact

A rubber band will last longer when put in the fridge.

What's Up In School

This month is May Day. On May Day we have a celebration where we do lots of dancing to show that Spring has begun. We wear bright coloured clothes and enjoy the day with our friends.

A Little Reminder

Hello everyone we just wanted to say to please look after the equipment in

the school because otherwise we will all have broken toys and we don't want that. Thank you.

Round The World Today

On July the 22nd, 2011 astronomers made an amazing discovery, they found a massive water vapour cloud, orbiting a huge feeding black hole called a quasar. This amazing water vapour cloud has 140 trillion times more water than all of Earth's oceans combined.

Amazing Humans

Jane Goodall is one of the most inspiring women in the world. When she was a little girl her Dad got her a chimpanzee teddy. She named her chimpanzee Jubilee. Jane loved chimpanzees. When she was 23 Jane went to Africa to study chimpanzees. She spent days sitting and watching them until one day they let

The Tackley Times

her into their troop. Jane Goodall has now saved many chimpanzees. But she passed away at 91 but is still amazing.

MASSIVE TREE DANCING JANE

Something Peculiar

The oldest tree (also known as Methuselah) is a Great Basin bristlecone pine and is amazingly 4,850 years old. Discovered in the 1950s by Dr Edmund Schulman, it lies in the White Mountains of California.

Positive Poem

Haiku

Positive poems

Every time you read one out

Everybody smiles

And if you would like your own positive poem to be in the Tackley Times, then send your poem to either Tilly or Alfie. Next Edition out 1st June!
