### **Red Weather Alert – Arrangements for Tuesday, Wednesday and Thursday**

Dear Parents and Carers,

Following the escalation of the current hot weather warning to a **Red Alert**, we have received guidance from the ODS Trust advising schools to use their discretion in making appropriate adjustments to the school day, based on our individual environments.

Given our knowledge of the school site and in order to prioritise the safety and wellbeing of pupils and staff, we will be implementing the following measures on **Tuesday, Wednesday and Thursday this week** :

- **An early collection at 12:30pm is offered for all children** each day, before the peak temperatures.
- **Lunchtime will be brought forward** to accommodate this earlier finish.

If you wish to collect your child at 12:30pm, please do so via the main school office. We fully appreciate that this may not be possible or required for all families, and school will run as normal for those pupils who need to stay for the full school day. After School Club will remain open.

In addition, due to the red weather warning:

- **All Forest School sessions are cancelled this week, including for Attenborough class on Friday.**
- **All scheduled Meet the Teacher meetings this week are postponed.**

We will be in touch to rearrange these meetings at a later date.

We will continue to monitor the situation closely and will communicate any further updates if necessary.

Thank you for your understanding and cooperation as we take these steps to ensure everyone remains safe during the extreme heat.

Yours sincerely,

Karen Ward  
Headteacher
