Amber Weather Alert – Arrangements for Friday

Dear Parents and Carers,

Having reviewed the Red Alert for today and the amber alert for Friday, we will continue making temporary adjustments to the school day for **today and Friday**.

School will remain fully open. Air conditioning units are in place in classrooms to support a safe and comfortable environment.

Key arrangements for today and Friday:

- Optional early collection at 12:30pm (at parents' discretion) - collect children from school reception
- Full supervision remains for pupils staying all day (After School Club open today only)

To minimise heat exposure for the rest of the week:

- Activities will be adapted to remain indoors or in cooler areas
- Children will not go outside in the heat of the day between 11 and 3
- Children can continue to wear PE kits, white t-shirts, shorts (shoulders to be covered)
- Remember water bottles, hats and sunscreen applied in the morning.

The forecast for next week is much cooler so we will revert to normal operations from Monday, but we will continue to monitor conditions and update you if needed.

Thank you for your support.

Yours sincerely,

Karen Ward
Headteacher
