Year 5 and 6 Bikeability Cycle Training 2026/2027

Dear Parents and Carers,

We are delighted to be able to offer everyone in Year 5 and 6 the opportunity to take part in Bikeability which is being run by The Windrush Bike Project. Bikeability Levels 1 and 2 are a vital life skill, giving your child the skills and confidence to make independent journeys. More information about Bikeability can be found [here](#).

To take part in the course children do need to be able to ride a bike.

Actions

- please complete the form [here](#) by the end of the day this Friday, 2nd October, to confirm if you would like you child to take part or not.

This will hopefully enable us to secure some training dates in November.

More details about the course, and what your child will need to have (e.g. a working bike and helmet) will be communicated in the next couple of weeks.

Yours sincerely,

Karen Ward
